

Final Push To Election Victory

3 hours of your time can change this election...

Help get our pro-student, pro-educator School Board slate elected, stop Prop. B, and make sure that we elect the statewide candidates and pass the statewide initiatives that will bring full support back to our schools and sanity back to our state budget process.

Volunteer for a three-hour shift any time in the remaining days up until the election. All activities begin at campaign headquarters (1261 Howard St. between 8th & 9th)

Call Ken Tray at 956-8373 or email ktray@uesf.org to volunteer.
