

Do Your Part to Get SF Schools the Full \$23 Million Rainy Day Fund

- 1.** Contact the Mayor & the Board of Supervisors by email and by phone! Ask them to follow the law and give SF schools the full 25% of the Rainy Day Fund – \$23 million!
- 2.** Talk to parents. Educate them about what's at stake – hundreds of layoffs and increases in class size. Ask them to contact the Mayor and Supervisors.
- 3.** Bring your entire school to the UESF rally on Thursday, March 12th. The louder and greater our voices are, the more likely the City will do the right thing!
