

Adjunct Duties Election

25.2.1 Each school site faculty may choose to determine whether to relieve the site's Union Building Representative of equitably rotated school site duties under article 7.2.4 in order to accomplish the duties associated with the Union Building Representative position. (Note: Inclusion of home room as a school site duty shall be determined by the site administrator.) This secret ballot shall be conducted by the site UBC — but not the Building Representative—and should be conducted prior to the first student day of instruction. The election tally shall be posted and made available to the site staff, including the administration

Shall the elected UESF Building Representative be released from adjunct duties in order to perform normal union representation?
