### NORMA MITCHELL HARDY GRANT

United Educators of San Francisco believes every person deserves the opportunity to gain self-respect and a sense of the dignity of labor. To promote these goals, a benefactor has established a grant in the amount of **\$1,500** to be awarded in the spring semester of 2017.

This grant must be used for expenses incurred at any institution of higher learning, including recognized vocational schools.

#### NOTE:

Scholarship is **not** the prime factor in the selection process. To be eligible, a student must have a grade-point average **between 2.2 and 2.5** for all work completed in grades 9 through 12. The major instrument in the selection process will be a written composition of 250 to 500 words. All entrants will be expected to describe:

- Their goals after high school, and how these goals relate to the principles of UESF and labor
- Their activities which demonstrate a sense of responsibility within the community and how these activities relate to their goals
- Their accomplishments or participation in school, youth and community affairs, or work experience

*Neatness and clarity of expression will affect the judging.*
